

RACHAEL RAY SHOW CONTEST WINNERS AWARDED GRANITE COUNTERTOPS FROM ARTISAN GROUP & TOP MASTER

JEANNE AND ALEX MCKENZIE OF WAMEGO, KANSAS ARE THE LUCKY WINNERS OF THE RACHAEL RAY MEGA GIFT AWAY AND RECEIVED GRANITE COUNTERTOPS FROM ARTISAN GROUP AND TOP MASTER IN KANSAS CITY.

Readers entered through the Everyday with Rachael Ray magazine and the McKenzie's were recently notified that they were the winners of new Artisan Stone Collection granite kitchen countertops.

"We love our new granite countertops and how they make our kitchen look," says Jeanne McKenzie. "It was so exciting to be chosen by Everyday with Rachael Ray and great working with Top Master."

"The partnership between Artisan and Everyday with Rachael Ray makes perfect sense because the Artisan Group provides the products necessary for an amazing kitchen, and Rachael Ray shares the way to prepare great meals," says Chad Seiders, Executive Director, Artisan Group.

The McKenzie's chose Giallo San Francisco granite with a 3/8" roundover edge and topped off the look with a brand new Silgranit sink.

Whether your dream kitchen is warm and comfortable or sleek and modern, Artisan Group can bring it to life with premium countertops and accessories. From natural granite, marble or soapstone from Artisan Stone Collection, to reclaimed wood from Heritage Wood Collection, along with Kohler® sinks and faucets, Artisan Group provides all of the options you'll need to create the perfect space. To request a quote for your new kitchen or bathroom countertop online, or to find the fabricator nearest you visit www.artisan-counters.com.

About Top Master

Top Master was founded in 1984 as a Corian® fabricator with a shop in Merriam, Kansas. It has since moved to Kansas City and also opened an operation in Wichita, Kansas. Top Master has expanded its product line to include natural stone, engineered stone, wood and all major brands of solid surface countertops. They provide countertops to a range of customers from the individual home owner to large commercial construction companies and national home supply retailers.

INCREASE SALES — EXPAND YOUR BUSINESS & PROFIT POTENTIAL!

Braxton-Bragg offers monthly training classes on Concrete Grinding & Polishing. It's a great way to get into the concrete care business, or expand your current enterprise. Polished concrete surfaces are constantly increasing in popularity, due to their durability and beauty. The training you receive here will enhance your knowledge and understanding of the entire concrete polishing process. You can attend the seminar, purchase your tools and supplies, and be ready to go!

Next Date: September 15 & 16, 2010

The Location: Braxton-Bragg

4100 Appalachian Way, Knoxville, TN

The Cost: \$399 per person

This 2-day course, taught by factory-trained specialists, covers:

- Understanding the overall concrete grinding and polishing process
- Selecting the right tooling, equipment and chemicals for the job
- In-depth explanation of the surface preparation and the concrete polishing processes
- Factors to examine when preparing bids

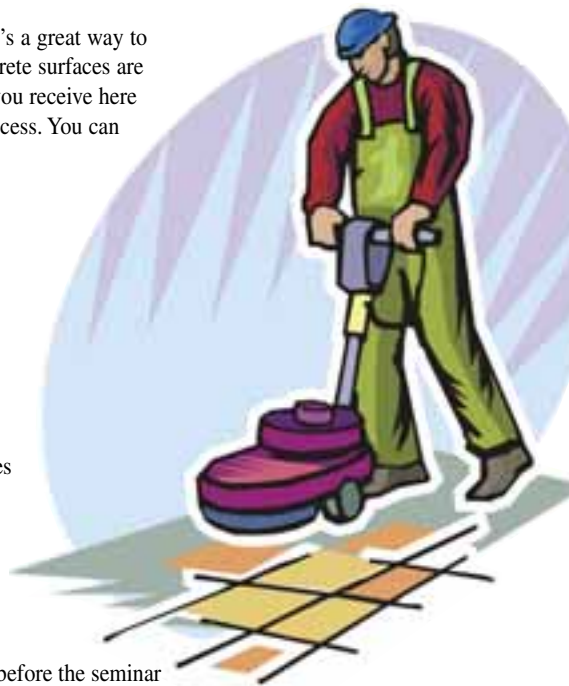

The fee includes:

- All training materials
- Demonstration and a full day of hands-on training
- Lunches and two nights lodging. Discounted dining available.

Purchasing a complete set of floor polishing equipment from Braxton-Bragg at or before the seminar will not only provide you with a new business, it will allow you a total refund of the cost of one attendee to the seminar.

**For more information about this seminar,
contact Kurt Alexander at 800-575-4401, ext. 235, or 865-293-0235.**

Space is limited – register before September 10, 2010.

Classes are now scheduled on the third Wednesday and Thursday of each month to allow easier travel time for attendees. Please call to confirm exact dates before making travel arrangements.
